

> THERE'S SOMETHING **GREATER** AT WORK HERE™

Senior Manager, International Regulatory Affairs (Home or office based in US or Canada)

Our team has an exciting opportunity for a Senior Manager, Regulatory Affairs. If you have 5-10 years global regulatory experience including knowledge of ICH, international regulatory processes, and regulatory intelligence, we would like to speak with you! In this role you would provide comprehensive Global Support to clients, prepare and review regulatory submission documents, prioritize and complete multiple projects, and participate in business development and industry related conferences.

You would need a minimum of a B.Sc. in Life Sciences; M.Sc. preferred. Also, RAC Certification preferred
