WE NEED YOUR IDEAS!

Program ideas and nominations to contribute to the World Congress of Pharmaceutical Sciences, Nov. 14-18, 2010

"Improving Global Health through Advances in Pharmaceutical Sciences"

CSPS is a sponsor of this Congress being run by FIP and AAPS. The CSPS sub-group (Brian Foster, Rav Kumar, Gordon McKay, Iain McGilveray) is seeking the help of CSPS members to suggest:

Topics (titles only, for now) that:

- Highlight excellence in Canadian pharmaceutical research
- Provide a world platform for our best emerging Canadian pharmaceutical scientists.

Nominations for Canadian Pharmaceutical Scientists for a World Congress Award (11 for the world)

Topics and nominations must be sent by October 31 to mcgilveray@magma.ca.
