

The following archived webinars are available for viewing by CSPS members:

2011

September 28, 2011 Webinar

***In Vitro* Models for Testing Membrane Drug Transporter Function in Drug Development**

Presented by Dr. Ganesh Rajaraman, NoAb BioDiscoveries, Inc.

May 11, 2011 Webinar

In Silico Tools for Oral Absorption Modeling: Formulation and Physiological Considerations

Presented by Dr. John Crison, Bristol-Myers Squibb

April 20, 2011 Webinar

Tricks and Traps - Detecting Free Radicals for Studies in the Pharmaceutical Sciences

Presented by Dr. Arno G. Siraki, Faculty of Pharmacy & Pharmaceutical Sciences, University of Alberta, Edmonton

February 3, 2011 Webinar

In vitro Equivalence as Surrogate for Therapeutic Equivalence: A study in the Americas

Presented by Dr. Raimar Loebenberg, Faculty of Pharmacy & Pharmaceutical Sciences, University of Alberta

2010

December 8, 2010 Webinar

Green Amazon Highway or Recent Developments in Canadian Patent Practice

Presented by Marcelo K. Sarkis, P. Eng., Patent Agent - Canada & United States of America, Heenan Blaikie LLP, Toronto

November 10, 2010 Webinar

Performance Testing of New and Old Kinetic Models of Plasma Clearance

Presented by Dr. Carl Wesolowski, Clinical Associate Professor of Radiology (Nuclear Medicine), School of Medicine, Memorial University of Newfoundland

October 7, 2010 Webinar

Food and Natural Health Product Interactions with Therapeutic Products: Risk Assessment

Presented by Dr. Brian Foster, Senior Science Advisor, Health Canada, Ottawa

September 29, 2010 Webinar

An Ocular Delivery System for Apomorphine-Induced Emesis in Canines

Presented by Dr. Dennis Cote, Faculty of Pharmacy, University of Manitoba

June 24, 2010 Webinar

Health Canada's Approach to Subsequent Entry Biologics

Presented by Patrick Bedford, Senior Policy Analyst, Biologics and Genetic Therapies Directorate, Health Products and Food Branch, Health Canada.

This presentation identifies the fundamental concepts and underlying principles for the review and approval for SEBs in Canada.

May 19, 2010 Webinar

The Canadian Reality, Protection of Intellectual Property: How an Academic Observation evolves into a New Cancer Screening Test

Presented by Daniel S. Sitar, Professor Emeritus, University of Manitoba

**Due to technical difficulties, this webinar begins at Slide 20.

April 22, 2010 Webinar

Interactions with Health Canada from a Clinical Pharmacology Perspective: Development of Saxagliptin as an Example.

Presented by Dr. David Boulton

February 18, 2010 Webinar

Intestinal Lymphatic Transport: Mechanism and Effects on Pharmacokinetics and Pharmacodynamics of Lipophilic Drugs.

Presented by Dr. Pavel Gershkovich

2009

November 26, 2009 Webinar

Formulation of Poorly Soluble Drugs

Presented by Srihari Chowdari, Mylan Pharmaceuticals

This presentation focuses on strategies employed and scale up challenges.

September 30, 2009 Webinar

Nano-delivery Systems for Modifying Drug Performance

Presented by Dr. Afsaneh Lavasanifar, Faculty of Pharmacy & Pharmaceutical Sciences, University of Alberta

(Powerpoint only, technical difficulty with recording)

August 26, 2009 Webinar

Enhancing Bioavailability of Poorly Soluble Drugs through SELF

Presented by Lory Tanielian, Pharma Director for Gattefossé Canada

(Powerpoint only, technical difficulty with recording)

July 29, 2009 Webinar

Special Populations Studies during Drug Development: Recent Clinical Pharmacology and Regulatory Trends in Hepatic and Renal Impairment Studies

Presented by Dr. Sree Kasichayanula, Bristol-Myers Squibb Co., Princeton, USA.

May 28, 2009 Webinar

Revised Bioequivalence Guidelines

Presented by Manon Belisle, Ratiopharm

March 13, 2009 Webinar

Review of the operations of the PHAC in global health security, the National Microbiology Laboratory and the Global Health Security Action Group

Presented by Dr. Gary Glavin, Faculty of Medicine, University of Manitoba
