

Bretta Lichtenhan

Bretta Lichtenhan is Head of Pharma Registrations within the global Regulatory organization of the Life Science division of MilliporeSigma. She manages a global team of regulatory experts, focused on regulatory registration of products such as excipients, active pharmaceutical ingredients (APIs), highly potent APIs, linkers, antibodies & antibody-drug conjugates, and pharmaceutical materials for the (bio-) pharmaceutical industry. She is currently Chair-Elect of IPEC-America's and has previously held roles within the association such as Vice Chair of Administrative affairs and chair of the Excipient Qualification Committee. Bretta has also been actively involved in the planning of ExcipientFest Americas (now Excipient World), for the last several years. She has over 20 years of experience in the industry with previous experience at Biopharma companies Genzyme (a Sanofi Company) and Percivia LLC. Bretta has worked for MilliporeSigma for over 9 years in various roles from R&D Product Development, Product Management, Regulatory Affairs and Business Development. Bretta has a bachelor's degree in Biology from the University of New Hampshire and Master of Biotechnology Engineering from Tufts University.
