#### **Another Success Story!**

**A very successful joint CSPS/Health Canada/IPEC-Americas Excipient Workshop was held on September 20, 2019 in Ottawa, ON**

Over 130 attendees had the opportunity to hear speaker presentations and to dialogue on issues of excipient science and their regulatory requirements at the ***Excipients Workshop: Regulatory, Compliance and Bioequivalence.***

#### **Workshop topics included:**

- Excipient Composition and Variability - Impact on QbD and Performance: The Need for Robust Formulation
- Excipient Qualification, Supply Chain Security and Appropriate GMPs
- Excipient Stability - Different Approaches for Excipients
- Novel Excipient Innovation in Drug Development
- Excipients for Use in Biologics
- Excipients for Use in Pediatrics

Many thanks to our sponsors of the Excipient Workshop: Colorcon, BASF, Innomar Strategies, and Rettenmaier Canada as well as the University of Alberta Faculty of Pharmacy and Pharmaceutical Sciences for its in-kind support.

For a list of all the presenters and topics, please visit the [excipient workshop](#) section on the CSPS website.

**Use of Real World Data/Evidence to inform Regulatory Decision Making**

## Workshop

**Please join us!** Plan to attend the joint CSPS and Health Canada one-day workshop *Use of Real World Data / Evidence to Inform Regulatory Decision Making* to be held on **December 3, 2019** in Ottawa, ON.

For scientific and regulatory experts to discuss the use of data generated from routine clinical practice outside controlled clinical trials for regulatory decision making.

### Planned Workshop sessions include:

- Regulatory Frameworks for Real World Evidence
- Data Sources and Data Quality
- Can RWE Replace Traditional Clinical Trials in Regulatory Decision Making?
- What's Next? Real World Evidence in the Development and Access to Novel Therapies

Plus panel discussions, case study presentations, and more. Not to be missed!

Registration for the workshop is **NOW OPEN** - be sure to visit the [Real World Evidence workshop](#) section of the CSPS website to register and for more information, including sponsorship opportunities available.

## 2019 CSPS Symposium Highlights

The 2019 CSPS/CC-CRS Symposium *"From Transformational Technologies to Innovative Health Care Solutions"* held May 21-24, 2019 in Vancouver, BC was a great success and well-received by all in attendance. A huge thank you to all!
