

Daniela Amaral Silva

PhD Student

Daniela obtained her BSc in pharmacy from the University of Sao Paulo in 2017. During her undergraduate studies, she was a recipient of the Science Without Borders scholarship for an exchange program at the University of Toledo, OH (2014 – 2015). In 2018 she joined the PhD program at Faculty of Pharmacy and Pharmaceutical Sciences at the University of Alberta under the supervision of Dr. Raimar Loebenberg.

Daniela has clear understanding of the underlying sciences responsible for the complexity of oral drug absorption and has authored and co-authored publications in great scientific journals. Daniela's main scientific interest is focused on formulation, delivery and quality in the drug development process.
