

Dr Angeliki Siapkara, Paediatric Unit Manager MHRA UK

Dr Siapkara obtained her medical degree from the University of Athens, and completed her postgraduate qualification in Orthopaedic Surgery with a special interest in Paediatrics at hospitals in Athens, Glasgow and at Great Ormond Street Hospital. In 2010 she undertook postgraduate research leading a MSc in International Child Health from University College London. Dr Siapkara joined the UK's Medicines and Healthcare products Regulatory Agency (MHRA) in 2008 and is currently the manager of the Paediatric Unit. The team leads the implementation of regulatory activities for delivery of innovating paediatric medicines and also the collaboration with all key stakeholders to improve paediatric pharmacovigilance. She was the UK delegate at EMA's Paediatric Committee (PDCO) and was member of the CMDh/EMA Working Party on Paediatric Regulation. Dr Siapkara is an observer at Joint Standing Committee on Medicines of the Royal College of Paediatrics and Child Health.
