

Sibylle Reidemeister Bio

Sibylle Reidemeister, PharmD

Sibylle graduated from University of Bonn, Germany in Pharmaceutical sciences and got her PharmD from University of Berlin, Germany in Pharmaceutical Chemistry and Pharmacology. She has over 20 years of pharmaceutical industry experience with roles in drug development and clinical trials.

During this time, she gained sound experience in drug formulation development for oral, parenteral and inhalative dosage forms, strategic experience in early and late phase project development and in drug supply chain for clinical trials. Currently she is working as Technical project leader and Pediatric & geriatric network leader at Novartis Pharmaceuticals.
